Rupena's has been a household name in the Milwaukee Metro area since 1927, when the business was founded by John S. Rupena. We are widely known and receive numerous acclamations for our reputable catering services, superior meat selections, made from scratch product and custom blended All-Natural Seasonings. Today, still family owned and operated, the legacy created by John S. Rupena carries on.

Proud to continue the family tradition, since 1970 a visit to the Wisconsin State Fair would not be complete without a barbequed dinner at the Rupena's Pavilion. In 2003, the Rupena family launched the Summit Café, located in the historic Allis-Chalmers building in West Allis, which has since been converted into high-end office space.

Satisfied customers can attest to the dependable service, quality selection and, most importantly, delicious food that Rupena's provides. Whatever the occasion, location or size of your group, we look forward to creating lasting memories and being a part of your special event. Our family genuinely thanks you for your patronage.
